

Kansas City Zoo Photo Club Newsletter

July 2005

Two Scimitar-Horned Oryx Born at the Kansas City Zoo

We took advantage of the FOTZ annual picnic to get pictures of the new arrivals

African Lion, Jean, Gives Birth to Four Cubs

The cubs won't be on display until September, so in order to view them now, you'll have to go to www.thekansascitychannel.com and click on the link to the Lion Cam.

Next Meeting
Make tracks to our next meeting on Monday,
July 18, 2005!

Lots of Photo Opportunities in July!

Don't forget, pictures of Special Events at the Kansas City Zoo are always appreciated! Try to get pictures showing the zoo in the background, as well as the people enjoying the events!

SURVEY SURVEY SURVEY SURVEY SURVEY

You'll notice a survey included along with your newsletter this month!

It's been 6 months since we changed the meeting format.

How's it working?

Please take the opportunity to complete it and email it back to KCZooPhoto@aol.com. We'll discuss the results at the August meeting.

American Red Cross Blood Drive

Saturday, July 23, 2005

Jerry Cohen Friends of the Zoo Picnic

The 44th anniversary of the Friends of the Zoo Picnic was Wednesday, June 22nd.

Members enjoyed a lots of good food and ice cream bars for dessert along with rides on the train, tram, boat, camel and pony. There were also lots of shows: Puppet show, Bird show, Sea Lion, and reptile show.

Members were also given discount ticket prices for the IMAX shows.

Don't miss the opportunity to see:
Island of the Sharks
Mystery of the Nile, and
NASCAR!

Show off your talent and help promote the zoo. Bring some of the pictures you've taken at the zoo and we'll add them to the website!

Picture size: 72 dpi with the longest edge being 640 pixels.

Stinky Saturday July 23, 2005

Scooby Doo visits the Zoo IdentiChild

Mr. Stinky Feet & the Hiccups perform

Free face painting Juggling Jeff & much more!

The Zoo is teaming with the Harvesters in the Stinky Bean Drive - see www.kansascityzoo.org for details

The big boy, Boomer, currently is on exhibit at the Zoo, and he's now roomies with 29 females. Keepers are hopeful his visit will result in a mob of joeys. If nothing else, it's certain to put a smile on Boomer's face.
